Dear Members of the Mission Committee,

On behalf of the Board of Directors of the AventWest Community Development Corporation, I would like to thank you for your very generous support of the AventWest Children's Mentoring program. As you may know, we have provided a nutritious after-school snack, a safe environment for outdoor play, and help with homework for at risk children. We have nurtured dreams of providing more to change children's lives. As we begin this year, with the kindness of supporters like you, we will be providing a remedial reading program and math tutoring under the guidance of a qualified teacher. We will be able to offer a third day of special activities including soccer, art, and music. These are opportunities many of these children would not otherwise have. We also plan to focus on the development of life skills such as financial literacy, preventive health care, and safety. We hope to engage the parents in programs to educate them to help their children. Again, thank you for your generosity. Please visit us anytime.

AventWest Children's Mentoring is sponsored by the AventWest Community Development Corporation which is a 501(c)(3) nonprofit organization serving the AventWest community in Raleigh, North Carolina.

Sincerely,

Jill Hovis
Secretary
