Dear Global Mission Committee,

This week has been full of tragedies and one could start to give up hope in this world but we are blessed to believe in a God who offers refuge and strength in the midst of trouble. And I am blessed to see that your congregation is providing hope every day of the year by your generous donations to Presbyterian World Mission. Today I would specifically like to thank you for \$168.34 for the support of Mark Hare & Jenny Bent. Thank you so much for being part of the hope that Presbyterian World Mission is able to extend to so many lives around the world.

I want to make sure that you are aware of the Big Tent conference this summer, where ten different Presbyterian entities come together to celebrate, share best practices, and cross pollinate each other with the vigor and inspiration of what God is doing in the world. The World Mission track is titled "The Power of 'We': The Call to Collective Impact" with the keynote speaker Dr. Robert Lupton who is the author of *Toxic Charity: How Churches and Charities Hurt Those They Help (And How to Reverse it)*. To learn more about planning for Big Tent, please go to this webpage: <http://www.pcusa.org/events/23419/big-tent-2013/>. I have been to the last two Big Tent conferences and would highly recommend that someone from your congregation attend.

I remind you that I am a resource for any questions that you might have about the mission co-workers of Presbyterian World Mission. Feel free to call, write, or email with any questions, ideas or suggestions that you may have. I'm here to walk alongside you in your ministry.

Please let me know how I can help support your efforts.

Together in mission,
