

UNION PRESBYTERIAN SEMINARY

Forming Leaders. Transforming the Church

18 April 2013

Western Blvd Presbyterian Church
4900 Kaplan Drive
Raleigh, NC 27606

Date received: 4/16/13

Amount: \$853.00

Designation: Student Scholarship - Ed Johnson

Recently we had the pleasure of watching our very own Celtic inspired cross sculpture be lowered into place in our front courtyard where it will grace our entryway for years to come. The cross was made specifically for our campus and contains beautiful carvings of Christian symbols, Celtic designs, Biblical images as well as the Union Presbyterian Seminary seal. We hope you'll come and see it in person soon! In other exciting news, the Christian Education Resource Center is now up and running and open to the community, the Theology and Film blog has been reinstated, and the Children's Literature blog continues to update with new entries regularly. Your financial contributions help to ensure that this progress continues in addition to making theological education of future church leaders possible. We give thanks for you and for your participation in this wonderful work and look forward to continuing on this journey together!

Your recent gift in the amount of \$853.00, designated as a student scholarship, has been received with our thanks. Your support will help us to fulfill our mission of preparing Ed Johnson for the work of the church.

Thank you again for your gift as well as your prayers for the seminary's continued success. This gift is fully tax deductible as allowed by law, as Union Presbyterian Seminary has provided no goods or services in exchange for it. This serves as a receipt for your gift, as required by the 1993 Tax Act. Please retain it for your tax records.

Sincerely yours,

Susan G. Hickok
Associate Vice President for Advancement
