## Earth Care Team For Kids August 13, 20 and 27

Become Super-Stewards of God's Creation!

Next week is the second session of our new children's earth care series! Elementary aged children are invited to join us after the Children's Message in Morning Worship. We will look deeply into the "3Rs", to make sure that we understand the impact these actions have on the planet, and the proper way to carry them out. Recycling can be confusing!

## Caregiver Needed!

The Western Boulevard Presbyterian Church Nursery is looking for the most special person we can find to care for our infants and toddlers during Sunday morning services. With Julie getting married this weekend and moving to other opportunities and Evan dropping to an on call position to spend more time with her family, we are in need of a special partner for Nadine. We are looking for a person at least age 21, female, fit and mobile enough to get on the floor and engage in play with our children from birth to five years. This person would be scheduled to work on Sunday mornings from 9:00 am to 12:00 noon, work holidays and special events as services require i.e. Hanging of the Greens, Loyalty Night Supper. Please contact Pastor Betty Connette at 919-851-4713 if you are interested or know someone who might be interested. We also welcome volunteers to help fill in the openings while we search for a new caregiver. Thank you!
