Dear Betty:

With your help Urban Ministries of Wake County's Food Pantry has served over 8,500 families – including 11,000 children -- by distributing over 240 tons of food in the past year. Thank you for your donation of 4,270 pounds of food!

Our Food Pantry, the second largest in Wake County, served more families this year as we increased the number of families receiving food from 40 to 50 with at least a weeks' worth of food. In these challenging economic times, the need for food is ever present and growing, and every contribution to the Pantry makes a difference for a family in need. Your contributions are especially meaningful, as one ton is approximately the amount of food we distribute every day!

So, welcome to the One Ton Club! With this certificate, please accept our deep appreciation for all the lives you are touching in our community. We could not feed the hungry without your wonderful generosity, time, and commitment. Thank you for helping us carry out our motto of "renewing lives and restoring hope."

Again, many thanks!

Sincerely,

Carol Schwartz
Outreach Coordinator

Congratulations!
