Dear Betty:

Your in-kind donation, valued at \$2,126.25 to Urban Ministries' Food Pantry, is vital to alleviating hunger for Wake County families living in poverty. The nearly 8,000 families served by the Pantry last year join me in sending you our sincere thanks.

Today, more than 90,000 of our Wake County neighbors live in poverty. A client who reaches out to the Food Pantry may be a single mom with small children, a person who has been laid off, or an elderly person forced to choose between groceries and medications.

Each day, Urban Ministries provides vital nourishment for 25 to 40 families. And, in the last fiscal year, Urban Ministries provided more than 431,000 pounds of food to families in need. Demand for food has doubled in recent years, and your continued support helps us provide hungry families with a week's worth of groceries.

We invite you to visit Urban Ministries to see your contribution at work. Please call or email to set up a tour or schedule your next food drive.

Thank you again for your concern for our neighbors in need.

Sincerely,

Carol Schwartz
