Dear Friends,

On behalf of the Board of Directors of Wheels4Hope, we want to thank you and the members of Western Boulevard Presbyterian Church for the vital support you are extending to this ministry. Specifically, we are grateful for the \$500 you contributed recently. What a difference you are collectively making in the lives of others in our community going through difficult times. Your support enables us to transform lives!

Last week, we had an amazing car blessing. I asked the car recipient what having a car would mean to her. She responded:

"We are stranded from our jobs without a vehicle. It has felt devastating to piece together rides and borrowed cars from family, friends, neighbors, and co-workers to church, the grocery store, and most importantly work. We had two cars go down at once. It has been such a relief to be accepted into the Wheels4Hope program."

This is what your support does – it changes lives.

On behalf of the entire Wheels4Hope family, thank you for your generous, compassionate support.
