Our Columbarium Has A Name! "The Friends' Garden"

What a beautiful name the Columbarium Task Force has given our new memorial garden! Believing that death does not end love or community, "The Friends' Garden" reminds us that we remain a part of the communion of the saints. Our thanks to those who have made recent contributions to the columbarium & memorial garden. Our balance to complete all work (including landscaping) now stands at \$5,150. Thanks to your generosity, we are very close to raising all funds needed! To help us pay the remaining costs, we are asking church members who are planning on reserving a niche or installing a plaque to honor loved ones, to consider doing it now. Also, if anyone would like to make a tax-deductible contribution to the columbarium, now would be a great time. A special thanks to our Columbarium Task Force for their hard work in making this dream a reality: Larry Shelton (Chair), Art Chard, Bill Clifford, Evan Barnette, Walt Clapp, Bill Mitchell, Jack Gebbie. "Well done, good and faithful servants!"

50+ In June

50+ will convene in the air-conditioned comfort of the D&S Cafeteria on Friday, June 21. Beky O'Connell, a story-teller who was with us a couple of years ago, returns to share with us some of her stories. Come and enjoy this time with your church friends.

Congratulations and Godspeed to Our 2019 Graduates!

We are so proud of the following members of WBPC who have graduated from high school and college. Let us keep these young people in our prayers as they journey into God's future.

A Creation Care Learning and Networking Opportunity

It's hard to believe that WBPC has been a certified Earth Care Congregation for 6 years already! During that time, an exciting spirit of creation care has been building momentum in our wider community as well! Recently a new organization was generated "to work within and across communities of faith to urgently fulfill our sacred duty to love and protect Creation, address our changing climate and ensure justice for all life." This group, called Interfaith Creation Care of the Triangle, and NC Interfaith Power and Light, are co-hosting a program, "**Faith, Science, and Climate Solutions**," at **Pullen Memorial Baptist Church Tuesday, June 11, 7-9 pm. Registration opens at 6:15.** Let me know if you decide to attend and I'll look out for you! Or, if you are unavailable, but have interest in contributing to earth care efforts at WBPC, please send me an email at dana.kreykes@gmail.com. Hope to see you there!
